

St Michael's
C.E. Primary School

Early Years Foundation Stage
Reception Curriculum

St Michael's Church of England Primary School's Reception Curriculum document displays the progression of knowledge and skills throughout the year. Outcomes for each area of learning are taken from the Educational Programmes stated within the [Statutory Framework for the Early Years Foundation Stage](#). This document, in addition to [Birth to 5 Matters](#) and [Development Matters](#), is used to ensure that learning and developmental needs are met across all areas of learning. Our curriculum reflects age-related expectations at key points over the year. However, we are mindful that all children have unique starting points. Therefore, we assess them using the [Birth to 5 Matters](#) guidance and then adapt our curriculum accordingly to meet their individual needs. Progression from both Nursery and Reception into Year 1 and beyond have been considered to ensure curriculum coverage so that each child thrives on their individual educational journey through our school.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Big Question	How are we all unique?	Why and how do people celebrate?	What makes a hero?	What is around Bartley Green?	How do things grow?	What is the seaside like?
Themes	Me, family, friends, diversity, friendship, home, animals, pets, feelings, school, seasons, emotions	Festivals, celebrations, cultures, religion, light and dark, stars, the moon, Christmas, imagination	Superheroes, personal qualities, talents, helping others, charity, relationships, teamwork	Local area, nature, forests, woods, woodland animals, fairy tales, baking, community, local places and landmarks, Bartley Green, Birmingham	Plants, growing, senses, healthy eating, cooking, fruit and vegetables, insects, minibeasts, weather	Seaside, sea, near and far, sea creatures, beach, pollution, travel, holiday, summer
Vehicle Text	The Something	Star in the Jar	Juniper Jupiter	Little Red	The Extraordinary Gardener	The Storm Whale
Enhancement Texts	Perfectly Norman Hair Love	The Owl Who Was Afraid of the Dark One Snowy Night	A Superpower Like Mine Supertato	Martha Maps it Out The Gruffalo	Jasper's Beanstalk Oliver's Vegetables	Julian is a Mermaid Somebody Swallowed Stanley
School Values (How our values are weaved into our curriculum)	<u>Courage</u> <ul style="list-style-type: none"> Starting Reception Leaving your parent at the door Making new friends Sharing your feelings Taking risks Being resilient 	<u>Hope</u> <ul style="list-style-type: none"> Sharing hope through celebrations Knowing God is with us through dark times Sharing our 'hopes and dreams' for the New Year 	<u>Thankfulness</u> <ul style="list-style-type: none"> Being thankful for our friends Being thankful to God for our talents Working together as a team Charity and fundraising 	<u>Love and Forgiveness</u> <ul style="list-style-type: none"> Making choices through love Understanding morals Showing love for our local community Learning from mistakes 	<u>Trust</u> <ul style="list-style-type: none"> Trusting in God Having trust in the way the world works Observing how things change in God's world Trusting the process 	<u>Community</u> <ul style="list-style-type: none"> Looking after our world Conservation and recycling Celebrating diversity Making an impact Transition to Year 1

British Values	Individual Liberty	Rule of Law	Tolerance	Mutual Respect	Democracy	Rule of Law
St Michael's Learning Behaviours	Be Ready Be Respectful Be Responsible					
Behaviour Curriculum	3 R's Wow Walking STAR Marvellous Manners (peers, adults, lunch time) The A Choice Voice Levels Outside Behaviour	3 R's Wow Walking STAR Marvellous Manners (peers, adults, lunch time) The A Choice Voice Levels Outside Behaviour	3 R's Wow Walking STAR Marvellous Manners (peers, adults, lunch time) The A Choice Voice Levels Outside Behaviour	3 R's Wow Walking STAR Marvellous Manners (peers, adults, lunch time) The A Choice Voice Levels Outside Behaviour	3 R's Wow Walking STAR Marvellous Manners (peers, adults, lunch time) The A Choice Voice Levels Outside Behaviour	3 R's Wow Walking STAR Marvellous Manners (peers, adults, lunch time) The A Choice Voice Levels Outside Behaviour
Key Vocabulary (Non-negotiable vocabulary in bold)	Unique, family, relations, home, body parts, familiar animal names, pet, friend, relationship, same, different, happy, sad, angry	Celebration, tradition, remember, light, dark, festival linked vocabulary, special time, celebrate, Jesus, Christmas	Superhero, help, care, hero, team, charity, fundraising, talent, special, unique, grateful	Local area, town, city, community, wood, forest, house, home, field, river, map, Church, reservoir, bus stop, shop, café, post office, school, university, car, bus, taxi, train, aeroplane	Grow, plant, fruit, vegetable, sun, light, change, water, seed, tree, flower, insect, minibeast, weather, healthy, unhealthy	Seaside, journey, beach, sea, ocean, sand, land, pier, rockpool, crab, destination, map, globe, shell, fair, sea creature names, pollution, holiday
Rhymes and Songs	Ready Steady Write Song Lots of People in my Family Daddy Finger We are a Family I Have a Pet The Feelings Song Harvest songs	Ready Steady Write Song Twinkle Little Star Star Light, Star Bright Diwali songs Hannukah songs Christmas songs Autumn songs	Ready Steady Write Song Let's Be Superheroes Superhero Song If You're Super and You Know It This is the Way we Make Friends	Ready Steady Write Song Easter songs Gruffalo Song Hungry Wolf Little Red is Very Good Mind the Wolf Walking in the Forest	Ready Steady Write Song 5 Little Flowers I'm a Little Bean In the Garden The Farmer Plants the Seeds Plant a Tree	Ready Steady Write Song I Do Like to Be Beside the Seaside Into the Sea Summer Clothes Song I'm a Little Fish The Waves in the Sea Ice Cream Song
Educational Visits		Theatre Whole School Pantomime	Church visit	Library		Seaside
Key Dates/Celebrations	Harvest	Bonfire night Diwali	Valentine's Day Chinese New Year	World Book Day Mother's Day	Eid Al Fitr	Eid Al Adha Father's Day

Charity/ Fundraising		Children in Need Christmas Jumper Day	NSPCC Number Day	Red Nose Day		
Performance		Nativity				
Church Service	Welcome Service in Church Harvest Service in Church	Christmas Service	Spring Service		Summer Service	
Literacy Educational Programme						
It is crucial for children to develop a life-long love of reading. Reading consists of two dimensions: language comprehension and word reading. Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words. Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing).						
Phonics						
	We teach reading through Little Wandle Letters and Sounds Revised, which is a systematic and synthetic phonics programme. The programme ensures children build on their growing knowledge of the alphabetic code, mastering phonics to read and spell as they move through school.

Maths Educational Programme

Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to count confidently, develop a deep understanding of the numbers to 10, the relationships between them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding - such as using manipulatives, including small pebbles and ten-frames for organising counting - children will develop a secure base of knowledge and vocabulary from which mastery of mathematics is built. In addition, it is important that the curriculum includes rich opportunities for children to develop their spatial reasoning skills across all areas of mathematics including shape, space and measures. It is important that children develop positive attitudes and interests in mathematics, look for patterns and relationships, spot connections, 'have a go', talk to adults and peers about what they notice and not be afraid to make mistakes.

NCETM
NATIONAL CENTRE FOR EXCELLENCE
IN THE TEACHING OF MATHEMATICS

We recognise that early mathematical knowledge is an essential foundation stone of every child's educational journey. Therefore, we follow the White Rose Maths scheme to help children explore mathematics in engaging and inspiring ways. The scheme encourages development of the core maths skills that make up the early years curriculum. We also use the NCETM Mastering Number carpet activities to ensure that our pupils develop fluency in calculation and a confidence and flexibility with number.

Communication and Language Educational Programme

The development of children’s spoken language underpins all seven areas of learning and development. Children’s back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language rich environment is crucial. By commenting on what children are interested in or doing, and echoing back what they say with new vocabulary added, practitioners will build children’s language effectively. Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts, will give children the opportunity to thrive. Through conversation, storytelling and role play, where children share their ideas with support and modelling from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures.

<p>Communication and Language</p>	<ul style="list-style-type: none"> • Listens and responds to directions and instructions e.g Collect up all the blocks • Listens to others in small groups in conversations that interest them • Listen carefully to rhymes and songs, paying attention to how they sound • Engages in non-fiction books • Begins to understand how to listen carefully in larger group situations • Shows some understanding of how and why questions • Joins in with conversations in small groups • Engages in story times • Anticipates key events and phrases in stories • Uses vocabulary that reflects the breadth of their experience 	<ul style="list-style-type: none"> • Listens and responds to more complex directions and instructions e.g Clean off your board and put it into the box • Listens and joins in with conversations with peers and adults • Develop social phrases • Understands and begins to use new vocabulary in conversation with adults • Ask questions to find out more and to check they understand what has been said to them • Articulate their ideas and thoughts in well-formed sentences • Listen carefully to rhymes and songs, paying attention to how they sound • Shows an interest in non-fiction books 	<ul style="list-style-type: none"> • Begins to show variability in listening behaviour e.g. move around but still listening • Listen to and talk about stories to build familiarity and understanding • Learn and understand new vocabulary • Use new vocabulary through the day • Connect one idea or action to another using connectives • Describe events in some detail • Learn rhymes, poems, and songs • Engage in non-fiction books • Listen carefully to rhymes and songs, paying attention to how they sound • Begins to understand complex sentence structures including negatives, plurals and tense markers 	<ul style="list-style-type: none"> • Begins to pay attention to something of interest for short and sustained periods of time • Begins to listen and do for short periods of time • Listen to and talks confidently about stories to building familiarity and understanding • Is beginning to understand humour e.g. nonsense, rhymes and jokes • Learns and understand new vocabulary • Use new vocabulary in different contexts • Begins to listens and responds to ideas expressed by others in conversation or discussion • Use talk to help work out problems and organise thinking and activities 	<ul style="list-style-type: none"> • Pays attention to something of interest for short and sustained periods of time • Begins to listen and do for short periods of time • Understands a range of complex sentence structures including negatives, plurals and tense markers • Listens and responds to ideas expressed by others in conversation or discussion • Understands questions such as who, why, when, where and how • Extends vocabulary, especially by grouping, naming and exploring the meaning and sounds of new words • Uses language to imagine and recreate roles and play situations 	<ul style="list-style-type: none"> • Pays attention to something of interest for sustained periods of time • Can listen and do for longer periods of time • Understands and uses a range of complex sentence structures including negatives, plurals and tense markers • Listens and responds to ideas expressed by others in conversation or discussion using acquired knowledge and vocabulary • Understands questions such as who, why, when, where and how • Follows a story without pictures and props • Extends vocabulary, especially by grouping, naming and exploring the meaning and

Personal, Social and Emotional Development Educational Programme

Children’s personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives, and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others. Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, cooperate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life.

We use the Jigsaw scheme as it nurtures our children to be confident and happy, increasing their capacity to learn and preparing them for the challenges of the modern world. The scheme provides our children with opportunities to develop their emotional intelligence, life skills, and proudly links to other areas of the early years curriculum.

Personal, Social and Emotional Development

Physical Development Educational Programme

Physical activity is vital in children's all-round development, enabling them to pursue happy, healthy and active lives. Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child's strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness, co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional wellbeing. Fine motor control and precision helps with hand-eye co-ordination which is later linked to early literacy. Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practise of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence.

Physical Development	<ul style="list-style-type: none"> • Develops core muscle strength to 	<ul style="list-style-type: none"> • Continues to develop core 	<ul style="list-style-type: none"> • Continues to develop core 	<ul style="list-style-type: none"> • Continues to develop core 	<ul style="list-style-type: none"> • Uses core muscle strength to 	<ul style="list-style-type: none"> • Uses core muscle strength to

<p><u>Understanding the World Educational Programme</u></p> <p>Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children’s personal experiences increases their knowledge and sense of the world around them. Listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children’s vocabulary will support later reading comprehension.</p>

Expressive Arts and Design Educational Programme

The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.

Creating with Materials	<u>Drawing: Marvellous Marks</u>	<u>Cooking and Nutrition: Soup</u>	<u>Sculpture and 3D: Creation Station</u>	<u>Textiles: Bookmarks</u>	<u>Painting and Mixed Media: Paint My World</u>	<u>Structures: Boats</u>
	<ul style="list-style-type: none"> • Explore mark making using a range of drawing materials • Investigate marks and patterns when drawing • Identify similarities and difference between drawing tools • Investigate how to make large and small movements with control when drawing • Practise looking carefully when drawing • Combine materials when drawing 	<ul style="list-style-type: none"> • Designing a soup recipe as a class • Designing soup packaging • Chopping plasticine safely • Chopping vegetables with support • Tasting the soup and giving opinions • Describing some of the following when tasting food: look, feel, smell and taste • Choosing their favourite packaging design and explaining why • To know that soup is ingredients (usually vegetables and liquid) blended together • To know that vegetables are grown • To recognise and name some common vegetables 	<ul style="list-style-type: none"> • Explore the properties of clay • Use modelling tools to cut and shape soft materials eg. playdough, clay • Select and arrange natural materials to make 3D artworks • Talk about colour, shape and texture and explain their choices • Plan ideas for what they would like to make • Problem-solve and try out solutions when using modelling materials • Develop 3D models by adding colour 	<ul style="list-style-type: none"> • Discussing what a good design needs • Designing a simple pattern with paper • Designing a bookmark • Choosing from available materials • Developing fine motor/cutting skills with scissors • Exploring fine motor/threading and weaving (under, over technique) with a variety of materials • Using a prepared needle and wool to practise threading • Reflecting on a finished product and comparing to their design • To know that a design is a way of planning our idea before we start • To know that threading is putting one material through an object 	<ul style="list-style-type: none"> • Explore paint, using hands as a tool • Describe colours and textures as they paint • Explore what happens when paint colours mix • Make natural painting tools • Investigate natural materials eg paint, water for painting • Explore paint textures, for example mixing in other materials or adding water • Respond to a range of stimuli when painting • Use paint to express ideas and feelings • Explore colours, patterns and compositions when combining materials in collage • Use a range of drawing materials, art application 	<ul style="list-style-type: none"> • Designing a junk model boat • Using knowledge from exploration to inform design • Making a boat that floats and is waterproof, considering material choices • Making predictions about, and evaluating different materials to see if they are waterproof • Making predictions about, and evaluating existing boats to see which floats best • Testing their design and reflecting on what could have been done differently • Investigating how the shapes and structure of a boat affect the way it moves. • To know that 'waterproof' materials are

		<ul style="list-style-type: none"> To know that different vegetables taste different To know that eating vegetables is good for us To discuss why different packages might be used for different foods 			<p>techniques, mixed-media scraps and modelling materials to create child-led art with no set outcome</p>	<p>those which do not absorb water</p> <ul style="list-style-type: none"> To know that some objects float and others sink To know the different parts of a boat
<p>Being Imaginative and Expressive</p>	<ul style="list-style-type: none"> Engages in imaginative play based on own ideas or first-hand or peer experiences Uses available resources to create props or creates imaginary ones to support play 	<ul style="list-style-type: none"> Creates representations of both imaginary and real-life ideas, events, people and objects 	<ul style="list-style-type: none"> Initiates new combinations of movements and gestures in order to express and respond to feelings, ideas and experiences 	<ul style="list-style-type: none"> Uses combinations of art forms, e.g. moving and singing, making and dramatic play, drawing and talking, constructing and mapping Responds imaginatively to art works and objects 	<ul style="list-style-type: none"> Plays cooperatively as part of a group to create, develop and act out an imaginary idea or narrative Introduces a storyline or narrative into their play 	<ul style="list-style-type: none"> Invent, adapt and recount narratives and stories with peers and their teacher Perform poems and stories with others
<p>Music</p>	 <p>We use the Kapow Primary Music Scheme. It is in line with the EYFS framework and is also fully integrated with the Kapow Primary Key Stage 1 and 2 curriculum for Music offering a unified approach to teaching music across the school.</p>					
	<p><u>Exploring Sound</u></p> <ul style="list-style-type: none"> To understand how to listen carefully and talk about what they hear To know that sounds can be copied by their voice, body percussion and instruments. To understand that instruments can be played loudly or softly 	<p><u>Music and Movement</u></p> <ul style="list-style-type: none"> To know that the beat is the steady pulse of a song. To recognise music that is fast or slow 	<p><u>Transport</u></p> <ul style="list-style-type: none"> To recognise that voices and instruments can imitate sounds from the world 		<p><u>Big Band</u></p> <ul style="list-style-type: none"> To know that an orchestra is a big group of people playing a variety of instruments together. To know that music often has more than one instruments being played a time. 	

		<ul style="list-style-type: none"> • To understand that we can match our body movements to the speed (Tempo) or Pulse (beat) of the music 	<p>around us. (E.g. Vehicles)</p> <ul style="list-style-type: none"> • To know that the beat is the steady pulse of a song. • To recognise music that is 'fast' or 'slow'. 	<p>To understand that performing means playing a finished piece of music for an audience.</p>
