SIAMS inspection

St Michael's Primary School is living up to its foundation as a Church school and is enabling pupils and adults to flourish. It has the following notable strengths

- The Christian vision is understood and lived out throughout the school.
- Inspired by the vision, relationships are strong between members of the school community. Staff are dedicated and caring as they seek to foster growth and success for both adults and pupils.
- Leaders actively create a culture of inclusion and equity.
- Staff ensure that the vision informs the school's broad and enriched curriculum offer. As a result, pupils, whatever their needs or background, can thrive.

School Prayer

God of Love ,

Bless our school and make
us strong and courageous
in everything that we do.

Help us to flourish in the
love of God.

Amen

The St Michael's Way. Our Behaviour Curriculum

At St Michael's, we develop children's character and Christian spirit through our behaviour curriculum, called, 'The St Michael's Way'.

Staff teach weekly behaviour lessons focusing on a different aspect of the Behaviour Curriculum.

Teachers will demonstrate these behaviours and ensure pupils have time to practise these.

St Michael's
C.E. Primary School

- Relationships and behaviour
- Attendance
- Learning
- Achievements in class and extra curricular activities

The role of Parents and Carers

Crucial in developing and maintaining good relationships, behaviour and successful learning and outcomes. We work with parents to:

- Build positive relationships with the school and work together so that your child receives consistent messages
- Attend all parental consultations and meetings during the year

Parent Code of Conduct

- **Positive Partnerships First:** BDMAT values strong, respectful relationships between home and school. This policy supports a safe and supportive environment for all, while ensuring that concerns are addressed constructively.
- **Clear Expectations for Conduct:** Behaviours such as aggression, harassment, discriminatory language, or misuse of social media are not acceptable. Everyone is expected to communicate respectfully and responsibly, both in person and online.
- **Supportive but Firm Responses:** If behaviour falls short of expectations, the Trust may take steps such as offering mediation, issuing warnings, or applying restrictions—always with the aim of restoring positive engagement.
- **Transparency and Accountability:** All actions taken under this policy are recorded and reviewed regularly. Parents and carers are kept informed and have the right to raise concerns through appropriate channels.

The importance of good attendance

- Children have the right to attend school and receive a full time education
- Good attendance gives your child the chance to achieve their best

Attendance – Fixed Penalty Notices

The National Framework for Penalty Notices was introduced across England in 2024.

- Under the new framework:
- The penalty will increase to £80 if paid within 21 days, or £160 if paid after 21 days but within 28 days.
- If the penalty is not paid within 28 days, the local authority will have to decide whether to prosecute for the original offence or withdraw the notice.
- This change is being made by the Department for Education, not by our school.
