

Strengthening Adult Interactions in the EYFS

Early Excellence is delighted to be working in partnership with St Michael's Church of England Primary School to offer a full day of training for your EYFS team.

Join us for this full day of training which has been designed to enable all those working with young children to become the best possible partners in play and learning.

Over the course of the day we will cover:

- **The Vital Foundations: Adult Knowledge and Understanding** - Examine crucial threads of practitioner knowledge and understanding which underpin interactions with children. Exploring key aspects of child development and how young children learn, drawing on latest/key research and considering the curriculum.
- **Key Priorities: Communication and Language and Co/Self-Regulation** - Shine spotlights on how we can support the development of children's Communication and Language, as well as Self-Regulation, through skilful and sensitive interactions. With recommendations for leadership and practical tips for teams to use in the classroom.
- **Partners in Learning: Developing and Extending Thinking** - Explore strategies to further raise the quality of practice, including guidance around Sustained Shared Thinking and the use of questions in interactions.

Benefits:

- A deeper understanding of the complex nature of and importance of adult child interactions
- Strategies for developing Language and Communication, Self-Regulation and Sustained Shared Thinking through effective interactions
- A clear grasp of ways to evaluate and strengthen your practice
